

Highlights of July 20, 2007

Before entering in to the election of the three assistants, we began the day with a moment of relaxation and reflection on our interconnectedness, led by Sr. Susanna Ramos. She invited us into a group activity where we created a web joining all the chapter participants.

We spent the day in the election process. The following sisters will join Sr. Marie Joëlle on the General Administration: Sr. Susanna Kim, Assistant for Zeal, Sr. Marie José Jàuregui, Assistant for Instruction, Sr. Estella Ibarra, Assistant for Temporalities.

Sr. Susanna is new to the General Administration and comes from the region of Korea where she has been serving as regional superior. She made first profession in 1987.

We are most grateful to our four sisters for making themselves available to serve the Congregation during these next 5 years.
