This morning the sisters participating as observers of the chapter were on a panel. They shared, each from the perspective of her own country's situation, the responses to a number of questions. These focused on what it means to be educators in the faith, accompaniment of young people, and the challenges of vocation ministry.

Members of the panel were Srs. Marleny (Colombia), Theresa (Ecuador), Christine (Togo), Laura (USA), Benedicte (France), and Catherina (Korea).

Later in the morning the sisters on Preparatory commission (from left the right: Srs. Marcella, Marie Jose, and Annick) introduced their report, summarizing the contributions made by the communities.
