The work of the Chapter continues – meeting in mixed language commissions to edit and expand on the text proposed by the writing committee.

This work could not be done without the assistance of Annalisa Segato, the secretary of the Generalate. In addition to her many other duties, Annalisa posts the news for us everyday – Thank you Annalisa!

The sisters and other staff of the community also have been indispensable to us. Pictured here are Sr. Caty Pilenga, Director of the Generalate Community (Province of Italy), Sr. Marie Luce Baillet, (Province of France) and Giulia Satta, the GA cook and general housekeeper.

These three provide most graciously for our daily needs, including special treats for “goute,” the coffee breaks, such as Giulia’s special pesto and apple tarts.
