

Highlights of July 13

Presentations of the Marianist Family.

Tony Garascia and Ana Blazquez make a presentation for the World Council of the Marianist Lay Communities. They emphasized that Mary and Adele are audacious women of faith and action who are a model for our lives as Marianist Sisters.

Ana presents the symbol of the MLC which are gloves. The right represents the gift the Marianist Sisters give and the left represents what we receive from the rest of the family.

Manuel Cortes, SM and Jose Maria Alviro, SM, from the General Council of the Society of Mary. Three points were presented: our collaboration, our complementarity and the necessity of the Marianist Family discerning together our common mission and our distinctive roles. The 250th anniversary of the birth of Chaminade in 2011 gives us an opportunity to work together.

Agathe Senou from the Ivory Coast shared the vitality and growth of Alliance Mariale of Africa. Thirty-one women belong to the community which demonstrates the fruitfulness of collaboration in the Marianist Family.

We received news that the brother of Sr. Gabriel Ishigami died in Japan early this morning. The assembly had a candlelight procession to the Lourdes Grotto and sang the Salve Regina in his memory.
