Sr. Estella finished her presentation of the financial report showing the importance of reflecting on our finances in the light of our mission. The Chapter members met in language groups and in commissions (mixed Language groups) to discuss the questions, points and recommendations made.

Fr. Antonio Gascon, Postulator of the Marianist Causes, gave us an update on the state of the various causes, including Mother Adele. He also spoke on the universal call to holiness that we all share, using texts from Vatican II.

In the spirit of his encouragement to pray for Adele's cause, Sr. Laura Betti, Provincial of Italy, requested that the Chapter begin a novena to Adele for the healing of Sr. Angela who is hospitalized.
